The Roads We've Traveled

Indians hit the roads with school transportation

One third of Armijo students depend on school busses for transportation to and from school. Due to recent cutbacks, the busses were almost cancelled, but they were saved at the last minute, preserving this crowded transportational tradition.

1

2

1. Lynn Harris and Fred Williams say good bye to a friend before boarding the bus.
2. Cheryl Trail, Richard Wilson, Fred Thompson and Dale Milhollin wait on "the wall" for their bus to arrive.
3. Virgil Robinson and Ted Nelson clown around while waiting for the bus.

3

1. After school, the front lawn of Armijo's gym is filled with students who have hurried to wait.
2. After a long summer of inactivity, this sign is pressed into use.
3. Stephen Underwood enjoys a quiet moment before undertaking the noisy confusion of the bus.

Gentle rolling hills, the brilliance of the lights of Texas Street, and breath-taking sunsets are all things that we, as Fairfield residents, take for granted.

However, without its natural scenic beauty, Fairfield would be just another little city.

During the course of the year, Armijo students became readjusted to the school schedule. It took reconditioning on everyone's part. For the freshmen, it was the beginning of a new way of life, and the sophomores re-evaluated their goals and set their studies in pursuit of them. Striving to achieve, the juniors worked hard in preperation for the coming year, and for the seniors, it was the beginning of the end.

1. Suisun Valley Road is one of the prettier ones around Fairfield.
2. Robert Jordon does his Grouch Marx impersonation for Judy Jernigan and Roxanne Morgon.
3. Teri Van Dyke and Dan Simpson pass each other as the band performs a countermarch.

The Roads We've Traveled

Indians Develop Sense Of Humor

Throughout the year Armijo students were more friendly, laughable and funny than in years past. Inhibitions were cast aside as Armijo began to joke, laugh, and have a good time. It was almost as if the students had decided not to engage in the pursuit of happiness but rather the happiness of pursuit.

1. This informative sign gives the traveler information about Fairfield's location(Even though the mileage looks more like a football score)
2. Patsy Mroz chuckles over the intricate questions of Consumer Decision.

Judy Jernigan reigns as queen for 1982

1

2

Homecoming day finally arrived with bands, floats, and all the little things that go with Homecoming. This is one of those little things. This story is about Judy Jernigan.

Judy Jernigan was picked for the 1981-82 Homecoming Queen. You can not imagine the feelings of being Queen for a day, but Judy and the many other Queens that Armijo has had know those feelings.

Judy said that she was never more shocked in her whole life. She just could not believe it when her name was called for Queen.

The word Queen really rings loud in Judy's house. The year Judy won Freshmen, her sister, Betty Jernigan, won Homecoming Queen. That was a day to remember in the Jernigan household.

The day Judy received Homecoming Queen honors, you could only see how proud her mother was for she had tears streaming down her face as they called her daughter's name. That was not the only winner that day. The Senior Float, which Judy was in charge of, won first place and the Varsity Football team, which Judy cheers for, also won. You might say that Judy has a magic touch for everything she had touched turned into a winner.

7. Jackie Ramirez is surprised at being named Sophomore Attendant.

The Homecoming Parade Gets Off to a Floating Start

As the crowd watched the Homecoming Parade, they could truly see all the work that had gone into the floats. The Senior Float, which won first place, was put together in two weeks with hard but fun work. Most of the thanks should go to Suzy Sutter for designing the float and for being dedicated enough to always be there to work on the float.

Second place went to the Junior Class of 1983 with their fine idea of a float. The Juniors are looking towards the Senior Tea and the Junior-Senior Prom. The class is well put together and is looking towards higher and better things.

Third place went to the Freshmen Class of 1985. Under the supervision of Mr. Scherr and Mrs. Hall, the President of the Freshmen Class, Chris Chalk began the organization of the float. Two weeks before the Homecoming Parade, the Freshmen Class began building their float.

Last but not least, the Sophomore float received fourth place for the Schoolhouse on wheels. With hard work, each float came out different than the next and all the floats showed the school pride. Congratulations to you all.

Spirit Week highlights football homecoming

Spirit Week started off homecoming for the Injuns. With many students showing their Indian Pride by dressing to the costume of the day.

Each day during the week students dressed in different costumes for each day. For example: Sports Day, Hawaiian Day, Toga Day, Punk Rock Day, and of course Purple and Gold Day.

The students of Armijo were always glad to see Spirit Week arrive, for it always brings out the spirit in everyone.

Injuns pow wow to kick off Spirit Week

The renegade Indians lit a big bonfire to kick off their annual spirit week, which took place during the Homecoming celebrations. It was an exciting occasion for the group of Indians who gathered to watch the skits and cheer at the bonfire.

The Armijo Superband also appeared to play a few numbers like On Broadway and their Competition March, Indiana State Band. The rally did its job by firing up the football teams for the next day's games.

AFS brings the world closer

This year our exchange students were: Erika Gerber from South Africa, Patricia Varela from Chile, Keiko Isedo from Japan, and Patricia Davila from Bolivia. Though apprehensive at first they soon found they enjoyed their stay in Fairfield. Keiko hoped to visit relatives in Los Angeles and Patricia Varela and Erika wanted to travel around the States.

Armijo Superband Regains Title

When the band members arrived at the band room for the first marching practice of the year, they noticed something different about the "Armijo Super Band" sign. There was a question mark over the word "Super". Mr. Brucia explained to the band that they had lived on their reputation for too long, and that this year's goal would be to earn back the "super". This is precisely what they did.

In addition to placing in every parade entered, the band performed at rallies and home games to enstill school spirit. After a highly successful Fall Band Review Show, which included Concert Band, Marching Band, Tall Flags, Dixieland Band, Jazz Band, Chorus Line Dancing, and several humorous skits, Mr. Brucia announced that if the band placed at the All-Western Band Review at Long Beach, the question mark would come down. The band set out with new determination and placed fourth, lowering the question mark off of the sign in front of all the top bands in California. The Super Band is back.

Band Members: Piccolos: Stacey Faria, Sarah Lytton; Flutes: Leigh Ann Cooper, Stephanie Perez, Juliana Hanneman, Suzanne Stack, Leah McKenzie, Sarah Lytton, Marsha Gomez, Stacey Faria, Jennifer Kelly, Kris Fray, Sherry Atkins, Syndi Piel, Michelle Wright, Mikie Wanzie, Section Leader: Sarah Lytton; Clarinetts: Teri Van Dyke, Linda Young, Shadi Gex, Suzanne Goodwin, Donna Martin, Debbie Reed, Vicki Moore, Ed Stinett, Diann Moore, Section Leader: Shadi Gex; Saxes: Chris Simpson, Jessica Salas, Claire Cepeda, Jeff Lieberman, Tami Wesner, Rob Johnson, Dave Benton, Section Leader: Jeff Lieberman; Trumpets: David Huchel, Kevin Christian, Don Grider, Pam Jennings, Gary Gex, Sheila Leach, Rick Stone, Stan Chritchfield, Rich Finnerty, Brent Finger, James Tobitt, Peter Haber, Section Leaders: Dave Huchel and Kevin Christian; Trombones: Mike Provencher, Keith Harris, Mark McBurney, Clay Lee; Baritones: Bruce Walton, Keith Looney, Sousaphones: Dan Simpson, Tom Van Dyke; French Horns: Mari Wilson, Bill Reed, Sheila Leach; Low Brass Section Leader: Mike Provencher; Percussion: Rudi Wilson, Dale Jones, Ralph Renaud, Rob Andrews, Curtis Barnes, Kevin Clirt, Andy Shmidtt, Bill Crosson, Darryl Harmon, Lisa Adrian, Roger Lindsay, Jeannine Heine, Brian Glenn, Bill Penn, Dean Bastiean, John Leary, Keith Bastiean. Attached Units Add To Armijo Pride

Adding to the general effect of the band unit, the attached units were not only judged with the band, but also seperately, in their own division.

Drum Majorette Marci Popadapolous, the 1981 Senior Ladies World Champion Solo Twirler, easily won first place in every parade, including All-Western Band Review at Long Beach, in which she not only regained her title of California State Champion, but also qualified for the national competiton to defend her title.

The Tall Flags, Identification Unit, and Back Banners enjoyed a successful year, which included a win at Del Oro. A new precedent was set as Kris Fray became the first woman to ever march Bagpipes for Armijo. Without the dedication and support of these units, the marching season would not have been possible.

Tall Flags: Carman Tobias, Courtney Christian, Emily Howarth, Deanna Day, Kim Engle, Jackie Cannon. I.D. Unit: Lori Fickess, Martha Sheldon, Veronica Shoopman, Erika Gerber, Tammy Bair, Jayne Howarth, Cindy Williams, D'Arcy Bush. Back Banners: Kaleda Walling, Shelly Leary, Anna Dawson, Jannette Kelly, Ronda Royles, Jeanie McGee, Jeanine Herrod, Patty Walling. Bagpipers: Devin Loving, Kris Fray, Solo Majorette: Marci Popadapolous.

AFJROTC Shoots for the Stars

1. Tom Klopstock wonders whose out there!

Aerospace Education was added to Armijo's curriculum in 1972. Armijo High School had asked the USAF for an R.O.T.C. Unit. The school and the district felt that Armijo had the required amount of students needed to form a viable unit.

AFJROTC, which means Air Force Junior Reserve Officer Training Corps, is a class in high school which helps you learn many things in life. It enables you to go into the Armed Forces as an A1C and allows you to receive more money and advance in grade before your peers. Students learn how the Air Force is structured, the principles of leadership, the principles of management, and teaches an individual all the facts of Air Force life. It also helps you in civilian life. You learn the meaning of responsibility and leadership traits. The program teaches you how to organize, take responsibility and to work with others.

Lt. Col Matessa and CMSGT McDade were the first Aerospace Instructors. In September of 1976, CMSGT Gordon Harker became the new AAEI and a month later Major John Kardach replaced Lt. Col Matessa as the new AEI. Lt. Col Matessa and CMSGT McDade left to pursue other careers.

The CA-71 (the number assigned to the unit) Squadron participates in activities with other squadrons in Northern California. These activities include bowling, volleyball, softball, basketball, chess, and backgammon tournaments. The Rocket Club launches rockets each month and competes with the other squadrons in Rocket Scrambles. The Drill Team and Color Guard have also competed in the Northern Drill Competition for the past nine years. In 1981, the Drill Team and Color Guard both placed 1st in all three events: standard drill, innovative drill and color guard competition. Also, they have participated in parades, such as the Dixon May Fair and Vacaville Parades. The Squadron has participated in community affairs in Fairfield, such as the Diabetes-Bike-A-Thon. Their present community affairs project is to help FISH collect food and clothing for the needy and to help stock and maintain their warehouse.

The Squadron has been selected Meritorious Unit for 1979 and 1980. In 1981, they were selected as an Honor Unit, which is top 5% of all AFJROTC Units in the United States. The Squadron hopes to be selected as an Honor Unit again this year.

Future Farmers Show Their Indian Pride

1

2

The Future Farmers of America had an exciting 1980-81 year winning most of their major competitions and placing high in the standing of the state.

Although this was nothing compared to this year's Future Farmers, they started off their year winning first in many, if not all, of their competitions in both Parliamentary Procedure and Public speaking.

This was only the beginning for the 1981-82 Future Farmers. They look forward to having many of their animals place in the two big fairs which are the Dixon May fair and the Solano County Fair. Good luck to both the animals and the students showing them.

H.O.P. involved with helping others

In H.O.P. people help others. Each month this club has one major project. During October of every year, going back to 1974, H.O.P. has had an annual pumpkin carving contest. After the contest the sixty pumpkins were brought to Intercommunity Hospital. In December the members of H.O.P. went to La Mariposa Convalescent Hospital and sang Christmas carols, made stockings, and also made Christmas decorations. Every year H.O.P. helps raise money for charity. One of their favorite projects is to help out in the Special Olympics.

H.O.P. has been in existence since 1973 and Mrs. Paulson has been its Advisor. The club meets on Fridays. Anyone is welcome to join.

M.A.Y.O. explores the Mexican-American heritage

The Mexican-American Youth Organization was founded to promote cultural awareness and unity among the Latin-Hispanic students interested in their background.

The M.A.Y.O. Club had organized fund raising committee to raise money to restore the murals that were dedicated in September of 1980. The first fund raising event had been raffling off of a Panasonic AM/FM Cassette Radio Recorder. Other events had been planned and the members hoped to raise enough money to take a trip to Marriots.

The newspaper's name has changed from Joint Union to The Arrow. It informed Armijo students of current events in and around campus. This included such things as club activities, sport recaps, and concert news. The Arrow also reflected the mood of the season such as its Christmas edition.

The students and teachers could even write to the editor and express their thoughts. They wrote about their views on subjects like sports coverage, irresponsible teachers, and lunch hour duration.

Mr. Sullivan, the advisor, worked with more than twenty hard working students which made up the whole staff to put together Armijo's own newspaper, The Arrow.

S-Club heads their year with Service

S-Club is a related branch of the Soroptomist Club. The Soroptomist Club is a service organization dedicated to community service.

In October, the S-Club sold pumpkingrams. In December, the S-Club had a party at Shakey's Pizza Parlor. The club invited senior citizens and children from the children's shelter.

S-Club raised money for special events, such as The Special Olympics. Every month a major fund-raiser or project is organized.

In the spring, there is a convention which is state wide. Members go there to gain new ideas for the club.

varsity endures a rough season

While in transition the varsity football team faced one of its roughtest seasons. It was a time of experimentation and adjustment for both the team and the new coaching staff. Despite a poor showing this year. Coach Lukawski is looking forward to next year.

"I am optimistic about the future of Armijo's Football Program and wish the departing seniors the best of luck," he stated.

Then he went on to say, "I'm looking forward to coaching the returning players. Anytime a new coach is hired there is a period of adjustment for both the players, and the new coaching staff. They players it affects most are the returning seniors because they have been under a different coach and system for three years."

"When I came into the school there were no returning linemen, I feel the offensive line and defensive line did a good job of improving each week."

This years J.V. football team did not have one of it's better years. Their season record was 2-7 and two ties; although, they played good football in the last three games.

Head coach Bruce Franchi stated that David Trowell and Sam Tauriac made the most touchdowns and Joe Bentley was the Most Valuable Player of the Year. On the offensive line, David Trowell, Joe Bentley and Scott Estep were the outstanding players. On the defensive line, Dave Cranney, Tim Langdon, James Moore and Joe Bentley were the outstanding players.

"The J.V. team is better than their record and they will be a great asset for Varsity next year", said the coach.

Soccer Players Kick Off A New Season

The 1982-82 Armijo Soccer teams placed high in the standings of the Monticello Empire League. The J.V. team won first over all with eight wins, two ties, and not one loss. The Varsity team won second over all with six wins, two ties, and two losses. The Varsity, after beating Fairfield, went on to Sections but did not do very well. The teams are looking forward to a brighter future.

J.P. Correa of the J.V. team and Frank Gonsalves of the Varsity team both received most Valuable Player of the Year award. This was especially nice for Frank considering he broke his ankle during last years season of play. Ron Hellings of the J.V. team and Ken Jackson of the Varsity team received Most Improved Player of the Year and Keven Gibbons received Most Inspirational Player of the Year.

These teams, showing their Amirjo Pride, are looking forward to the exciting upcoming season.

Softball gains First in Pre-Season tournament

The Armijo Varsity softball team has started the year out great. In the Pre-Session tournament, in which the team received first place out of twenty teams, pitcher Cindy Grayck received top honors. Their record stood at 5 and 0 at deadline time. The team had a good chance to win the MEL championship and the San Joaquin Sections.

The 1982 Softball team has been one of the most enjoyable teams to coach since I've been coaching, stated Peggy Linville, Varsity Coach. They have worked better as a team unit, and this years team has much more speed.

Outstanding Players included Cindy Grayck, Joy Bell, Kari Johnson, Carolyn Caruso, Holly Combs, and Sonya Johnson.

The J.V. softball team was very good. Coach Hambright felt that the team could go undefeated throughout the year. The team did better than last years because of our great pitchers, Karen Stow and Debbie Ryan. Also our infield played extremely well. The toughest teams we played are Tokay, Lincoln, Vacaville, and Fairfield.

"This team has been the strongest, out of all the teams I have coached," stated coach Hambright. The J.V. team would like to thank all the parents and the supporters for our team.

Indian Grapplers wrestle into the season

The 1981-82 Wrestling team was coached by Ron Cortese and assisted by Bill Gregg and Leon Clannarelli. The team consisted of forty-eight players and eight wrestlerettes, who helped keep the team operating smoothly. A majority of the wrestlers on this year's team had had past varsity experience. Last year the varsity team was young, but finished third in the M.E.L. League. Coach Cortese hopes to do at least as well as last season and even better. The wrestling season had just begun, but the team had competed in two league matches. In the Solano Tournament, the team placed 5th and in the Armijo Tournament they placed first.

Paul Datausa and Mark Williams both were voted as the Most Outstanding Wrestlers at the Armijo Tournament. Mark Williams also won the Solano Tournament Championship.

Coach Cortese was quoted, "This year's team was a very good group of young men. They proved to be hard workers, easy to teach, and willing to try. A good group is coming back next year, but we always need more Frosh-Soph boys for the team."

Indian Swim Team Of '82

The 1982 Armijo Swim/Diving Team was composed of 38 girls and 15 guys. This was the largest turnout Armijo has ever had for the girls team, and for the team as a whole.

Returning from last year's 3rd place girls team included top swimmers Laurie Benkel, Karen Dillbeck, Myriam Dillbeck, Karen Ebanez, Lindi Taylor, and Stacy Walter. New additions, which showed alot of talent, included Shannon Kelly, Margie Moore, Kris Peterson, Janice Weston, and Kim Tatman.

Returning from last year's 3rd place boys team included top swimmers Scott Taylor, Bryan Meegan, and other returning swimmers Chris Horsma, George Smith, Ernie Lozano, Don West, and Sean Moore. A very talented freshman, Darin Holting, was also welcomed to the team.

This year's season included one meet with each M.E.L. team and won each meet. The team also attended the Reno relays for the fourth year in a row on March 19th to 20th.

"The toughest competitors should be Vacaville and Fairfield. I feel we should place in the top 4 in both divisions, with the girls having the better chance of finishing in the top 2," quoted Coach Henderson at the beginning of the season.

There was excellent depth in the girls team and they improved as the season advanced.

The top swimmers from the boys team were Bryan Meegan and Scott Taylor, both who competed in sections last year, with Bryan receiving a medal as a member of the 400 Free Relay. Both Scott and Bryan also received a medal in the League Championships.

Karen Ebanez, Stacy Walters and Karen Dillbeck received medals in last year's League Championships.

Netters Place Second in Finals

The 1981-82 volleyball team had a very successful season. The Varsity team which was coached by Karen Meek, placed 2nd in M.E.L. play with a 9-3 record. The Junior Varsity team which was coached by Peggy Linville and Trudy Nye also placed with a 9-3 record.

The Varsity team captains were Carolyn Caruso and Kari Johnson. Both Carolyn and Kari received special recognition by being selected as members of the M.E.L. All-League team. Josanna Allen received honorable mention. Both teams participated in the All-City tournament and both placed 3rd. The Varsity went on to play in the San-Joaquin Sections. They played an excellent game, but was defeated by La Sierra High School.

Senior Statement

1982, a year that we looked ahead to with amazement as freshmen.
1982, a year that was closer while our friendships grew stronger as sophomores.
1982, a year that was barely within our grasp as juniors.
1982, four awesome years of effort becomes reality as seniors.

The memories of our high school years will forever hold a valuable place in our minds- The moments of victory, the close relationships, and all the learning experiences. With these memories we look to the future with open hearts and open minds, and trust in God to guide us through the decisions we face ahead.

Though we cannot possibly thank everyone that helped us at some time during the last four years, we would like to thank the following people for their exceptional dedication:

Senior President	Judy Jernigan
Senior Vice President	Tom Garrido
Senior Secretary	Suzy Sutter
Junior President	Judy Jernigan
Junior Vice President	Tom Garrido
Junior Secretary	Suzy Sutter
Sophomore President	Judy Jernigan
Sophomore Vice President	Karen Guckert
Sophomore Secretary	Monica Arnold
Freshman President	Judy Jernigan
Freshman Vice President	Dorothy Harty
Freshman Secretary	Karen Ebanez

We would also like to thank all devoted Central Committee members during the last four years.

We the class of 1982, would like to express our sincere thanks to our advisors for their patience and constant guidance - Mr. Evans, our freshman year; Mrs. Risser, our sophomore year; Mr. Berry our junior and senior years; and Mr. Brown for all four years.

We would also like to extend special thanks to Mr. Oscar Sumner and Mr. and Mrs. Sutter for their assistance in various areas throughout the years.

A WALLA WALLA BING, HEY!

The Class Of 1982.

Video Games Invade Armijo

With the advance of technology in this decade, there's been a new video game for every day of the year. Some of the games include Pac Man, Asteroids, Space Invaders, Night Driver, Circus-circus, and Tailgunner. These games have captured the imaginations of almost every high school student in the United States. The amazing thing is the time and money the students spend in these games. Hours upon hours are spent watching computerized figures running all over a T.V screen. The sums of money are taken from lunch money and allowances. Time is stolen from school and work. The obsession is widespread from coast to coast.

Rubik's cubes invade Armijo classes

Rubik's cube is one of the many fads of this school year. There is not only Rubik's cube, but you could also call it the Rubik's invasion of the pyramids, snake, space shuttles and spheres. Everything is in assorted sizes from necklaces to key chains. This crazy maddening puzzle has stopped classes with the shattering sounds of a cube dying which coming from the flustrated owner of the dead cube.

Souvenirs of a Trend

Jack Daniels is a very potent alcholic beverage in a familiar square bottle. It has the kick like a mule that everyone and his brother has claimed to have drunk. To prove it, they even have an empty bottle lying around the room. Hot items such as square shot glasses, custom glass bottles with glass corks, and other items have been used to popularize the drink.

MAYO Mural causes Community Aggression

Last year students of the MAYO Club created a mural on the A-Wing Wall facing Washington Street. Ever since then, it has been a controversal point of the school. Some people have decided to take their aggressions against the mural, by Defacing the MAYO Clubs symbol of Mexican-American heritage, time and time again. Some do: however, realize the importance of the mural. Bringing to the forefront the knowledge of Mexican-American heritage.

To the casual observer crossing the Armijo park ing lot can be a true learning experience. Here ca be found many different types of people, including subset called the "Oakies" and it is from this grou that the latest fad to sweep the school originate Unfortunate for those with weak stomachs, the fa of chewing tobacco.. It has become a common sigh to see nice, innocent people with their mouths fille to the brim with "Chew", but the worst part is th spitting. Long, amber streams of spit sprout out mouths into the nearest circular container, be it cok can or spittoon.

Journey leads in musical Preference

Once again the fight between Rock and Soul music was on, and once again Rock won. The ever more popular groups including Journey, The Police, Foreigner, The Rolling Stones, Styx, and AC/DC, were among the most popular groups.

The top selling group, Journey, held three concerts during December, at the San Francisco Cow Palace, including a final concert to save San Francisco's world famous cable cars.

Another popular group, the Rolling Stones, held concerts in October to sellout crowds in the highest grossing concert tour of all time. The rock albums that went platinum include Escape (Journey), Tattoo You (The Rolling Stones), 4 (Foreigner), Queen's Greats Hits (Queen), Private Eyes (Hall and Oates), and Precious Times (Pat Benetar).

In the minority were the Soul and New Wave albums, and the top artists included Parliament, Cameo, Rick James, Split Enz, B52's and Talking Heads.

1. Bruce Walton fixes his uniform at a parade.

"Look Muffy, a yearbook article for Us!"

Fashions change; however, most trends in fashion are reoccuring styles. Currently one of the trends about the country has the name "Preppy". It is deeply based on the fashions of the late 50's and early 60's. Preppy is a very discriminating trend. Only certain pieces of clothing are considered preppy. Some of these pieces are: Oxford style shirts, Sperry top-sider shoes, garrison belts, and straight-leg pants.

Some people have considered the alligator from the "La Coste" golfing shirt to be the unoffical preppy logo.

1. Mrs. Kelley's shirt says it all.

T-Shirts: the fad that never dies

T-Shirts are always popular. There are many different types of T-shirts, like political shirts with sayings like "Save a tree, Ax Watt." There are also football T-shirts with the graduating year and your name. If you enjoyed a concert you attended, you could get a shirt to tell everyone you saw your favorite group.

There are T-shirts to show other fads, like Pac Man, Space Invaders, M*A*S*H, and the Rubik's cube T-shirt which says "Rubic's cube cures sanity."

Printed Shoelaces set a Trend

Among the hottest fads to sweep the school, Printed Shoelaces or "Showlaces" have become the latest style in footwear. Everyone has her choice to individuality with these unusual laces, with such popular designs as green alligators, red hearts, rainbows, pencils, Lipps, and orange Garfields. How to tie your laces had also become as big of a decision as what design to pick, as the popular styles include tieing them side to side and one up and one down. Leg warmers have also become chic when worn over jeans or knickers, and the popular colors include navy, lavendar, pink, and blue. The glitter of metallics attracted the attention of Armijo, and the flashes of gold, bronze, and silver made a serious fashion statement for 1982.

Buttons Proclaim Their Messages

Buttons in recent years have become very popular. There are buttons for everyone, everything, and everybody. Buttons have a strange effect on people. When you put one on you state your message to the world. Buttons, when they first came out, were to spread the word about political figures. Some of the popular sayings today are "Sit on a happy face", "Anti-Alligators", "Preppies need love", "Sex Instructor-first lesson free."

Mr. Day Adds to his home

Many people wonder how Mr. Day accomplishes all the things he does. Well, he does do a great deal of work and enjoys most every minute of it. All his life he has enjoyed making crafts with wood. He has his own business making fireplace bellows to sell to other businesses around the United States. In his house he has built many small woodworks and designs all his plans himself.

Within the twelve years he has lived here he has doubled the square footage of his house. He has added on a garage and his whole upstairs. Not only has he designed and built the house, but he also put in his plumbing and electrical by himself.

Alxander Scherr and his Bicycle

Besides his busy schedule as a teacher, Mr. Scherr enjoys bicycle riding. He travels an average of 2,000 miles a year whether it's around Greenvalley or Vacaville or even up to Winters. He has been riding most of his life and is looking forward to participating in a century ride.

Mr. Scherr also works with the Upper Soland County Retarded Children. Through the past seventeen years he has served in the positions of President for one term, Chairman of the Publicity Committee, and is now involved in the Ways and Means Committee.

Becky Lum and her Ranch

For the last eight years, Miss Lums' time has never been wasted. When out of school her Cattle Ranch keeps her very busy, with twelve head of cattle, fifty head of sheep and many goats.

Before she had her ranch she enjoyed traveling. She has been to Europe, The South Pacific, Asia, Canada, and Mexico. Someday she wants to go to China. Besides traveling she enjoys scuba diving, fishing, and abalone and clam digging. She also would like to learn how to fly a helicopter.

Mr. Shephard

Researches his family

For the last ten years Mr. Shephard has been interested in geneology. He has traced one part of his family all the way back to William the Conqueror, 1200AD. He is also a volunteer librarian one night a week at the Fairfield Geneology Library.

Besides his family interest, he also enjoys woodworking. He has built his own Woodshop in his garage, where he makes things for around the house as well as many of his Christmas presents.

He also likes gardening. He has a huge vegetable garden in his backyard where they can enjoy fresh vegetables all year around. He even cans many of them for the Winter.

The Armijo Yearbook staff would like at this time to send a fond farewell to one of its finest contributors, Fairfield Grocery. After many years as a pillar of the community, this reputable business has chosen to close its doors for the last time. We would like to thank the owners in the name of all previous La Mezcla staffs that you were kind enough to contribute to, and we wish you the best of luck and prosperity in the future.

Yearbook is the combined effort of many people. The names in the book tell only half the story. Without the unwavering support of the people behind the scenes this book would not have been possible.

We would like to thank the entire Faculty for their understanding attitude toward deadlines, interviews, and photography during classes.

Behind every yearbook staffer are the yearbook staffer's parents, who graciously give up their houses and peace and quiet when a deadline is due. Without their understanding no staffer would be able to make his or her deadlines.

Our Herff Jones representative, Jim Gillespie, provided the staff with ideas and suggestions throughout the year. He was a genius at turning nebulous ideas into workable layouts.

Much of the photography in the book, including the opening section, was possible due to the efforts of Mary Cornelison Photography. They often worked far into the night to insure that our deadline would be mailed off as planned.

The Daily Republic and Mr. Eldon Jensen, Armijo's photography teacher, often came to our rescue during deadline emergencies.

Armijo's treasurer, Mrs. Shiobhan Franey, was invaluable in helping to keep our finances straight. She often bore the brunt, of recording the yearbook subscriptions.

We would also like to thank the secretarial staff, especially Mrs. Ehmke, Mrs. Brode, and Mrs. Unmacht, who were kind enough to answer questions, distribute books and run the gauntlet for us with the parents and students who asked questions throughout the year.

We wish to extend a hearty thank you to all of you.

Fairfield Floats Away

On Monday, January 4, 1982 the most destructive flood in Fairfield history hit late Sunday night. It didn't stop raining until early Tuesday morning. The sewers backed up, drainage ditches rose, and bridges washed out.

Air Base Parkway and Dover, North and South, were flooded the worst. Thirty streets in Fairfield were closed and twenty homes were evacuated. There was over $200,000.00 worth of damage done to houses and businesses. Laural creek, McCoy creek, and Pennsylvania creek were flooded.

It was not necessary to close any of the public schools. However, there was low attendance at Armijo on Monday and Tuesday due to the Valley roads being closed. No one was able to travel in or out of the Valley bacause of flood water and mud slides on the roads. Woodcreek roads were also closed. No students from either the Valley or Woodcreek attended school Monday and Tuesday.

At 10:00 am. on Monday morning the tide came in. At this time many automobiles were stranded by the rising water and their occupants had to wade to safety. Raley's Supermarket was flooded and had to close. The Datsun Dealer and Tractor Company on Holiday Lane were also flooded, and many new cars and tractors were submerged by the flood water. There was some fear that the reservoir behind the Datsun dealership would overflow.

Eventually the rain stopped and after many hours of hard work the residents in Fairfield were able to clean up the streets and flooded areas.

The Roads We've Traveled

Editor's Message

Yearbook is much more than 256 pages between 2 covers. It is an endless collage of broken typewriters, photographers who are constantly running out of film, lunch meetings, white-out, uncorrected copy, interviews, Christmas parties, layouts that have to be redrawn, type sheets that have to be retyped, subscription pads, weekend deadlines, pepperoni pizzas, new staff members who don't understand anything, long distance phone calls to Logan, Utah, carbon paper, fights over the index, lost rulers, broken dates, trips to Vacaville, disgruntled custodians, absent minded editors, friendships that will last forever, patient advisors, and unidentified group pictures.

My Freshman year, when the Yearbook came out, I was disappointed. It was orange, and not at all what I had expected. I didn't like it, and I complained about it so much that one of my friends, in an effort to stifle my gripes, said "If you think you can do a better job, prove it!!!" I joined the staff two days later.

I soon found out the hard way that Yearbook is not easy. It was difficult for me to give up my academic, family, and social lives; but Yearbook Staffers become accustomed to sacrificing their weekends and vacations for deadlines. Yearbook receives no financial help from the school; however, we sell books at a loss to support the ASB card program, and are compelled to have year-round fund raisers to pay for thousands of dollars of color pages that students have come to expect from their Yearbooks. But the sacrifice is well worth it!

The theme of this year's book is "The Roads We've Traveled," and we have worked hard to make the book graphically, as well as thematically, consistant. The green cover, a group decision, was chosen because it is the color of Fairfield's natural roadside scenery, and all of the road pictures were shot from local points of interest. We have tried to make this Yearbook enjoyable and interesting to everyone. However, if you don't like something about the Yearbook, don't complain to the nearest staff member about it!!! Join the Yearbook Staff, get your input in print and try to change what you don't like. Remember, you'll only get out of school what you put into it, and the same goes for the Yearbook.

In closing, I would like to thank my teachers for giving me the valuable skills which will keep for the rest of my life, and for their cooperation throughout the production of the Yearbook; my friends for standing behind me when the going got tough and for being there when I needed them; Miss Ash, our Advisor, for ALL her help; and to my parents for their understanding.
